Dear Paul,

Thank you so much for your generous purchase of ducks through Oxfam Unwrapped!

By purchasing these ducks, Magneto Communications is lending a helping hand to communities around the world. In Mozambique for example, families with ducks receive fresh eggs which in turn helps generate more ducks and more eggs!

These families then have a source of income to help ensure they have a livelihood that's sustainable. Magneto Communication's generous contribution of **\$2,000** has been enough to purchase 100 ducks from our Unwrapped catalogue - that's a lot of feathered friends for families around the globe!

We hope you feel rewarded by giving a gift that helps others. Remember: giving good never goes out of fashion!

Yours sincerely,

Jez Hunghanfoo
Customer Services Manager
